# Dear Patron,

When we discuss the elements involved in a choir concert, several things come to mind: singers, sheet music, practice space, instrumentalists, director, venue, and more. Many of these crucial components are made possible by individuals like yourself—our valued supporters.

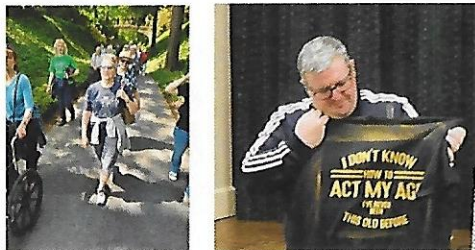

Your investment in the Williamsport Civic Chorus ensures a remarkable performance of Vivaldi's "Gloria" in the upcoming season. It will be a fantastic way to kick off the holiday season! Our goal is to assemble the finest orchestra and soloists, and your support makes that possible.

*An exceptional orchestra elevates the choir's achievements to new heights.*

Reflecting on our recent concerts, our jazz performance was truly exceptional! Collaborating with three professional musicians greatly enhanced the vocal community's ability to perform jazz. You played a vital role in facilitating that experience. Thanks to your help, we experienced musical growth and personal development.

You may recall the sublime experience of performing "Sunrise Mass" and being surrounded by the lush sound of professional strings. As a choir member, feeling the orchestra's vibrations during our performance is something truly special. It created an ethereal atmosphere on that day, and you were instrumental in making it happen.

We sincerely appreciate your contribution to providing the best possible musical experiences in Williamsport.

I am deeply committed to the WCC and our mission. I take immense pride in the work we do and the remarkable individuals who form our community. Together, we encompass a diverse range of talents and perspectives.

Please consider either continuing or joining us in our pursuit of creating meaningful artistic endeavors.

*Yours Sincerely, Michael*

Michael J Connor,  
*Music Director*
